Members from NGOs, associations, and academia support these roll-out efforts by providing and disseminating information.

Data protection information:
Please note our privacy policy regarding the collection and processing of personal data in connection with membership of the association. You can find this on our website at https://food-biodiversity.de/en/privacy-policy/. There you will find information on the legal basis on which we process your data and the rights to which you are entitled. In particular, you have the right to object to the processing of your personal data at any time.
☐ I consent to the processing of the personal data provided in the membership application in accordance with the privacy policy.

Logo use:
By becoming a member, the member organisation agrees that Food for Biodiversity e.V. may use the member organisation's logo for the following purposes:

- Display on the association's website and in digital media
- Use in presentations and information materials

- Inclusion in social media communications and newsletters
- Display on banners, roll-ups, leaflets (print media) and other promotional materials
- Use in reports, publications and studies

The logo may only be used to demonstrate membership and to promote the association's objectives. The logo must not be passed on to third parties or used for commercial purposes outside the scope of the association's work.

☐ I consent to the use of my member organisation's logo by the association Food for Biodiversity e.V. for the purposes set out above.

Date, name(s) and signature(s) of the authorised representative(s)
